

**ABOUT CONTEMPLATIVE OUTREACH**

*Contemplative Outreach of Orange County* is a regional chapter of Contemplative Outreach, Ltd whose purpose is to teach the Centering Prayer Method by offering Introductory Workshops, Centering Prayer Retreats and the formation of weekly Centering Prayer groups. Any parish or group wishing to deepen their relationship with God through the Method of Centering Prayer is invited to contact Cathy McCarthy, Coordinator.

*Centering Prayer* furthers the development of contemplative prayer by preparing our faculties to cooperate with this gift. Centering Prayer is at the same time a relationship with God and a discipline to foster that relationship. It is Trinitarian in its source, Christ-centered in its focus, and ecclesial in its effects; that is, it builds communities of faith and bonds the members together in charity.

*The St. Lawrence Retreat Center* is located on 25 beautiful acres in Beacon, NY, just one and one-half hours north of New York City. The center is off Route I-84, and is accessible to Stewart Airport and the Beacon, NY train station. The newly renovated, fully accessible facility has an elevator, wide hallways and flat, easily walkable grounds, ensuring that people of all ages and physical abilities can enjoy this sacred space.

The Center can accommodate up to 26 guests, including handicap accessible rooms and bathrooms. Every room has a private bathroom and individual climate control. The Retreat Center is a ministry of the Capuchin Franciscan Friars.

## Nine Month Course: The Practice and Deepening of Contemplative Living

This Nine-Month Course enables one to practice contemplative living according to one's own lifestyle. Formation is offered in contemplative prayer, lifestyle and activity through:

- ◆ *Deepening our experience of Centering Prayer, Lectio Divina, the Active Prayer, Logging, the "Welcoming Prayer" Practice and Spiritual Reading*
- ◆ *Nurturing the contemplative dimension of one's lifestyle by exercising discernment, simplicity, forgiveness, integrity and commitment.*

The ongoing process of the Course provides an environment in which to integrate contemplative practices into one's life. This integration is accomplished, in part, by opening to God as a community and consenting to God's presence and action individually and communally.

The Course meets one weekend a month from September 2012 through May 2013, and is presented by Nine Month Course staff.

Each weekend includes a review of the previous month's practice(s), soul-friending, Centering Prayer, conferences, sharing and rest. Each month's theme is supported by a Spiritual Counsel and Prayer Practice(s).

## What Course People Say..

A month's time between the Course weekends is just right...that's how long it took for me to be ready for the next step in building a contemplative lifestyle. By the time the weekend approached, I knew I needed to be back with my contemplative community.

*L.V. Course #10*

To my mind, one of the richest experiences of the Course has been the sharing and support of my fellow Course members. The bonding and the group dynamics were as meaningful to me as the Course content and conferences by the staff.

*D.T., Course #7*

Returning each month was like coming home...to my room, my place in the prayer room, the wonderful food prepared by the Sisters, and to my friends...my fellow travelers on the spiritual journey.
